FREQUENTLY ASKED QUESTIONS (FAQs)

AT SOURCE QUESTIONS

| | |
|--|--|
| Who do I send the relief at source documentation to? | Everything is to be submitted to GlobeTax. |
| Does the IRS 6166 form have to be for the tax year in which the dividend is paid out and must it be original? | It is highly recommended that the tax year on the 6166 supplied matches the year of the ordinary dividend payment and that the 6166 supplied is an original. If you choose to submit outdated or copies of 6166s, it is recommended that you request a more current one from the IRS at the time the election is made and submit it to the French custodian upon receipt. |
| What happens if I do not send in the documentation and/or submit a file whose share position totals more than my CA Web elections? | This will result in a chargeback for the amount of shares not supported by the documentation. The favorable or exempt shares elected will be adjusted to your unfavorable position and result in a debit to your DTC Participant account. Submitting share amounts exceeding your CA Web elections may result in a chargeback of the total election. |
| Why are forms 8802 being requested for U.S. Regulated Investment Companies (RICs), Real Estate Investment Trusts REITs) and Real Estate Mortgage Investment Conduits (REMICs)? | The IRS 6166 form does not differentiate between corporations and Regulated Investment Companies (RICs), Real Estate Investment Trusts REITs) and Real Estate Mortgage Investment Conduits (REMICs). In order for the French Tax Authorities to validate entities, these forms are being requested. |
| Are Canadian mutual funds eligible for reclaim through the relief at source process? | No. Only through the standard long form process. |
| Are partnerships/LLCs eligible for reclaim the relief at source process? | No. Only through the standard long form process. |
| Why would the French Tax Authorities request an IRS 6166 form for individuals or corporations if it is not required? | If they have any doubts regarding the status of the beneficial owner, they are entitled to validate their suspicion by requesting the 6166. |
| How long does it take to receive payment with the relief at source process? | On DR pay date. |
| Are U.S. trust accounts eligible for the relief at source process? | No. Only through the standard long form process |
| Is the relief at source process free of charge? | No. This tax relief at source assistance service is wholly voluntary and discretionary and outside the terms and conditions of any applicable deposit agreement. Deutsche Bank undertakes no duty or obligation to provide this service, and may reject or decline any or all proposed electing Participants or holders in its sole discretion. Fees will be charged for this service of up to \$0.009375 per depositary receipt with no minimum, and any other charges, fees or expenses payable by or due to Deutsche Bank or their agents, including the custodian or to tax authorities or regulators.
