**NLMK – 144A** has announced a dividend representing earnings for the full year of 2017. Deutsche Bank acts as Depository for the company’s Depository Receipt (“DR”) program.

On DR Pay Date, all holders will have the opportunity to receive their full treaty benefits or 15% statutory withholding rate for non-treaty holders. All non-disclosed holders will receive this dividend net 15% statutory rate.

**Effective January 1, 2014** there are new requirements on obtaining withholding tax relief on Russian DRs. These new requirements are standardized and apply to any Russian DR with a record date after January 1, 2014.

In addition to these new requirements there are also **changes to withholding rates** for Depository Receipts with a **Russian payable date after January 1, 2015**.

The punitive withholding rate of 30% that existed on Russian DRs with payable dates from January 1, 2014 – December 31, 2014 was abolished and the new maximum withholding rate is the statutory rate of 15%. Deutsche Bank is required to provide beneficial holder residency disclosure on an aggregate basis. This disclosure includes:

a) Country of tax residence and entity type for a Double Tax Treaty Rate claim,

**OR**

b) Country of tax residence and entity type for the Statutory Rate (15% withholding)

Participants that choose not to disclose the country of tax residence and entity type will receive their dividend less 15% withholding tax as the default rate. At the time this notice went to publication there were no penalties in Russian law for DR holders in the case of non-disclosure.

Participants can use DTC’s Corporate Actions Web (CA Web) instructions tab to certify all or a portion of their position entitled to the applicable withholding tax rate. Use of these instruction methods will permit entitlement amounts to be paid through DTC.

## FREQUENTLY ASKED QUESTIONS (FAQs)

<p><b>Do I need to provide a certificate of residency (“COR”)?</b></p>	<p>For relief at source and quick refund processes, the ESP generated forms will be required at the time of election. However, CORs will be required in the event of an audit for those disclosing for treaty benefits and you will be liable to maintain and provide these in that event. It is expected that CORs must be translated into Russian and apostilled, legalized or notarized and that they must be issued as of the calendar year.</p>
<p><b>Is it required to use ESP to disclose?</b></p>	<p>If you are not able to utilize the ESP system please contact GlobeTax to obtain copies of the ESP forms to submit manually.</p>
<p><b>What happens if I cannot complete my disclosure by the relief at source deadline?</b></p>	<p>There is an opportunity for quick refund submission immediately following the DR pay date.</p>
<p><b>Is there a difference between the relief at source and quick refund?</b></p>	<p>The process steps are the same for both processes. However, the relief at source period is shorter and involves payment of your dividend with tax relief on pay date. The quick refund is a longer period for submission and will involve payment of your tax relief after pay date. Both payments are electronic.</p>
<p><b>Is there opportunity for standard refund?</b></p>	<p>At this time there is no defined standard refund. Please contact GlobeTax for additional information.</p>
<p><b>Is it possible for me to disclose ownership of the DRs for 15% withholding even if the country of tax residence has a DTT?</b></p>	<p>Yes. You may indicate the shares by country of residence to disclose ownership residency but not obtain treaty benefits.</p>
<p><b>Is it possible to disclose shares for an exempt rate, a rate of 0% withholding?</b></p>	<p>A participant may submit for a qualifying exempt entity but Deutsche Bank/GlobeTax Services cannot guarantee the payment of said exemption. For additional information, potential reclaim, and submission requirements please contact GlobeTax.</p>
<p><b>Can residents of a DTT country with an entity type considered transparent disclose their DRs to receive the dividend at the double tax treaty rate?</b></p>	<p>The DRS of transparent entities should be disclosed at the underlying beneficial holder level. Always check the specifics of the relevant tax treaty to ensure you are properly disclosing the DRs of the entity and country of tax residence with respect to the Russian Federation.</p>
<p><b>Will Deutsche Bank/GlobeTax accept claims filed directly to them by beneficial owners?</b></p>	<p>Deutsche Bank/GlobeTax only accepts claims filed by the DTC Participant who held the securities through DTC and only to the extent that the DTC has reported these holdings to US as valid.</p>
